

CARERS' REFERRAL SCHEME

At Christies Care, we thrive on our reputation of providing only the best carers to our clients. And, because you know what it takes to be a good carer, we think there is a good chance that you know other people who do too.

Good people always seem to know good people - that's why we place high value on the recommendations we receive from you. So why not take a closer look at the people you know who are looking for work and could benefit from working with us? You can help them to get a job, and we will reward you for helping us finding them.

For every new carer you successfully introduce us, we will reward you. The more people you introduce, the more you get!

What are we giving away!?

- £25 per carer introduced and successfully passed induction training. After this, you will then be eligible for the following prizes:
 - An 8gb iPod Touch for the introduction of 2 carers
 - A laptop with CD/DVD drive for the introduction of 3 carers
 - £500 for the introduction of 4 carers

This is our way of saying thank you.
